

PO Box 416 Sun Valley, ID 83353 P: 208-622-4438

Foundation & Grade Certificate

Building Permit Number: _____

I certify that the foundation footings for the property described as:

are located to match footprint locations, setbacks, and building elevations as indicated on the approved plans.

Further, the property corners have been identified and an elevation benchmark has been established that is clearly marked.

This certificate must be **signed and stamped** by a licensed surveyor and or engineer and submitted to the City of Sun Valley prior to the pouring of concrete.
