

Permit Type: Temporary Permanent

List the type of sign(s) proposed including Location, Size, Type of Supporting Structure, Sign Text, Sign Materials, Sign Colors, Lighting Source, Landscaping, and all Existing Permanent and Temporary Signs on the subject property.

A scaled drawing of not less than 1/4 inch scale is required as part of this application for permanent signs and shall include all the information listed in description above.

I agree to pay all costs incurred by City for the removal of erected or installed signs that do not comply with the regulations of the City. The City will send me a registered letter to the address provided on this application 48 hours prior to the removal of any signs. The application shall hold the city harmless for any damage that may occur to any non-conforming sign removed by the city.
